

American Vocabularies And Idioms For English As Second Language Students

This book is a comprehensive guide to American vocabularies and idioms for English as second language students. It contains over 1,000 essential words and phrases, as well as clear and concise explanations of their meanings and uses. The book is divided into 10 chapters, each of which covers a different topic, such as everyday language, business English, and academic English. There are also exercises and activities at the end of each chapter to help students practice using the new vocabulary and idioms.

This book is an invaluable resource for English as second language students who want to improve their vocabulary and communication skills. It is also a great reference for teachers and students of American culture.
