Praise for *Climate In Crisis*

"Climate In Crisis is a wake-up call for all of us. Carla Mooney's powerful writing and clear-eyed analysis of the climate crisis will leave you both informed and inspired. This book is a must-read for anyone who cares about the future of our planet." - **Bill McKibben**, author of *The End of Nature*

"Climate In Crisis is an essential read for anyone who wants to understand the biggest challenge facing our planet today. Carla Mooney's in-depth research and clear writing make this book a valuable resource for anyone looking to take action on climate change." - **Naomi Klein**, author of *The Shock Doctrine*

"Climate In Crisis is a powerful and timely book that offers a much-needed dose of hope in the face of the climate crisis. Carla Mooney's inspiring words will give you the tools and knowledge you need to make a difference." - **Al Gore**, former Vice President of the United States

About the Book

Climate In Crisis is a comprehensive and accessible guide to the climate crisis, covering the science, the impacts, and the solutions. Mooney's writing is clear, engaging, and backed by the latest scientific research. She provides a wealth of information on topics such as:

- The causes and effects of climate change

- The risks and impacts of climate change on human health, food security, and water resources
- The role of renewable energy, energy efficiency, and other climate solutions
- The importance of climate justice and the need for a just transition to a clean energy future

Climate In Crisis is more than just a book about the climate crisis. It is a call to action. Mooney provides a roadmap for how we can address the climate crisis and build a more sustainable future for all. She offers practical advice on how to reduce our carbon footprint, support climate-friendly policies, and get involved in the fight for climate justice.

Climate In Crisis is a must-read for anyone who is concerned about the future of our planet. It is a powerful and timely book that will leave you informed, inspired, and ready to take action.

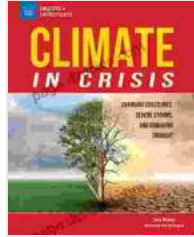

About the Author

Carla Mooney is an award-winning environmentalist and author. She has worked on climate change issues for over 20 years, and her writing has appeared in publications such as The New York Times, The Guardian, and The Atlantic. Mooney is a passionate advocate for climate action, and she has dedicated her life to helping people understand the climate crisis and take action to address it.
