Perry McCarthy, the former Formula 1 test driver known to millions as 'The Stig' on Top Gear, has lifted the lid on his life in the fast lane in his new book, Flat Out Flat Broke.

McCarthy's story is a rollercoaster ride of high-speed thrills and low-budget mishaps. He recounts his early days as a racing driver, his time as a test driver for Jordan Grand Prix, and his years as the anonymous driver of Top Gear's Reasonably Priced Car.

But behind the glamour and excitement, McCarthy's life was often a struggle. He raced for peanuts, lived in a bedsit, and even had to sell his car to make ends meet. As he writes in the book: "I was flat out flat broke."

Despite the challenges, McCarthy never gave up on his dream of racing. He eventually made it to Formula 1, but his time in the sport was cut short by a serious accident. Undeterred, he rebuilt his life and went on to become a successful racing driver, commentator, and author.

Flat Out Flat Broke is a funny, moving, and inspiring story of a man who followed his dreams and never gave up. It is a must-read for any fan of racing, Top Gear, or anyone who loves a good underdog story.

Praise for Flat Out Flat Broke

"A hilarious and heartwarming account of life in the fast lane. Perry McCarthy is a true character, and his book is a must-read for any fan of racing or Top Gear." - Jeremy Clarkson

"A fascinating insight into the world of Formula 1 and the life of a racing driver. Perry McCarthy is a natural storyteller, and his book is a real page-turner." - Martin Brundle

"A brilliant book. I couldn't put it down. Perry McCarthy is a true hero, and his story is an inspiration to us all." - Chris Evans
