Here is a sample poem from the collection:

“My Sneezes Are Perfect Poems

My sneezes are perfect poems,

They're short and sweet and to the point.

They're full of surprises,

Like a tiny little squirt.

My sneezes are like tiny works of art,

Each one unique and all my own.

They're a way to express myself,

To let the world know I'm here.

So next time you hear me sneeze,

Don't be alarmed, just listen close.

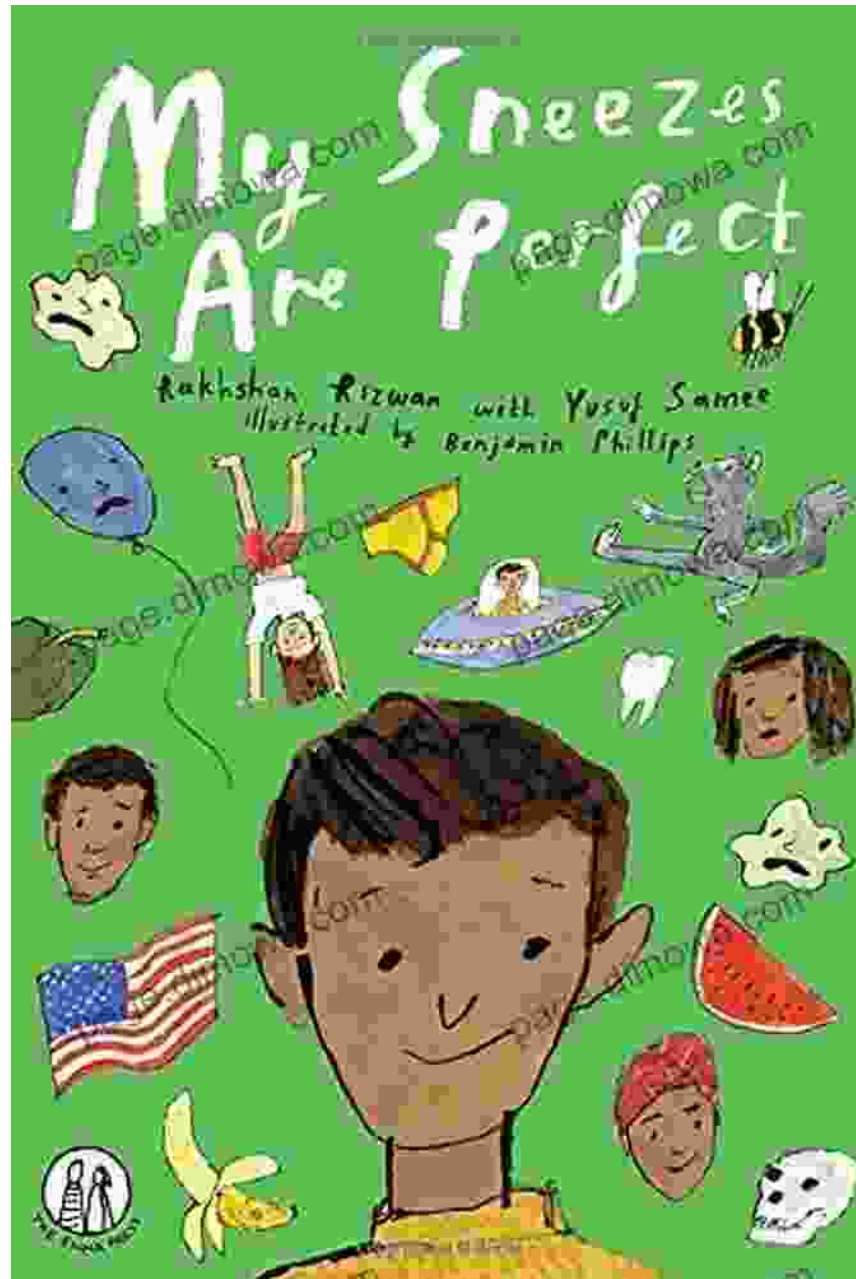

You might just hear a perfect poem,

A tiny masterpiece that only I can compose.”

My Sneezes Are Perfect Poems For Children is the perfect book to share with your child at bedtime, during car rides, or anytime you need a little laughter. It's also a great way to introduce your child to the world of poetry and help them develop a love of reading.
