Tim Federle, the acclaimed author of *Five, Six, Seven, Nate!*, returns with another heartwarming and laugh-out-loud funny novel about a young boy navigating the complexities of middle school and finding his place in the world.

Nate Gibson is a gifted sixth grader with a knack for getting into trouble. He's also a loyal friend, a loving son, and a dreamer with a big heart. But when Nate starts middle school, he quickly realizes that things are not going to be as easy as he thought.

Nate is assigned to the "Academic Inclusion" class, a euphemism for the "slow" kids. He's immediately embarrassed and ashamed, but he slowly starts to make friends with his classmates, including Rosalba, a shy and artistic girl, and Gavin, a boy with Down syndrome who is always happy and kind.

As Nate gets to know his new classmates, he begins to realize that they are not so different from him after all. They all have their own strengths and weaknesses, and they all just want to be accepted for who they are.

With the help of his friends and family, Nate learns to embrace his differences and to stand up for what he believes in. He also learns that it's okay to make mistakes, and that it's through our mistakes that we learn and grow.

Nate Expectations is a funny, heartwarming, and ultimately hopeful story about the importance of friendship, family, and self-acceptance. It's a book that will resonate with readers of all ages, and it's a reminder that we should all strive to be like Nate: kind, compassionate, and always willing to give people a second chance.

Why You Should Read Nate Expectations

- It's a funny, heartwarming, and ultimately hopeful story that will appeal to readers of all ages.
- It's a reminder that we should all strive to be kind, compassionate, and accepting of others.
