A Literary History

Seattle's literary roots can be traced back to its early days as a logging town. In the late 19th century, the city was home to a number of newspapers and magazines, including the *Seattle Times* and the *Seattle Post-Intelligencer*. These publications helped to foster a literary community in the city, and they attracted a number of writers to Seattle, including Jack London, Hamlin Garland, and Ella Higginson.

In the early 20th century, Seattle became a major literary center. The city was home to a number of publishing houses, including the University of

Washington Press and the Seattle Book Company. These publishers helped to launch the careers of a number of important writers, including Ernest Hemingway, F. Scott Fitzgerald, and John Steinbeck.

Seattle's literary scene continued to flourish in the post-World War II era. The city was home to a number of bookstores, including the legendary Elliott Bay Book Company. These bookstores became gathering places for writers and readers alike, and they helped to create a vibrant literary culture in the city.
